ABOUT NEOKRAFT

NEOKRAFT is part of NEOLITE Group, which began its operations in 1952. NEOKRAFT is into manufacturing of Home Lightings, Home Furnishing Articles and Commercial Lightings for the Global market. The other division of NEOLITE Group is NEOLITE ZKW Lightings which is into manufacturing of Automotive Lighting.

NEOKRAFT is one of the largest manufacturer of Home Lightings, Home Furnishing Articles and Commercial Lightings in India and it operates out of Special Economic Zone for exports. NEOKRAFT is having in-house facilities for design, testing, development and manufacturing as per customer's specific requirements. NEOKRAFT employs more than 900 personnel in their facilities and the combined workforce of the group is over 2000.

The goal of NEOKRAFT has always been to design & manufacture New generation high efficiency Lighting Luminaires.

NEOKRAFT supplies its products to the world's largest home furnishing store and the products are sold throughout the world. Adherence to customers compliances, RoHS, REACH & other social responsibilities are fully met by us.

We are an ISO 9001:2015 Company.

DESIGNS, DESIRES & DELIGHT

NEOKRAFT 
GLOBAL

INFRASTRUCTURE

MANUFACTURING FACILITIES

- Advance Tool Room
- Stamping machines from 50 to 500 tons capacity
- Spinning machine - manual, semiautomatic, CNC- Capacity up to 800 mm dia & depth
- De-coiler, straightener and automatic feeder in press shop
- Pipe Fabrication & Wire bending
- Phosphating, EPL (Electro Phoretic Lacquer) for transparent as well as colour lacquer coating, Brazing & Welding
- Automatic PLC control Nickel plating / Chrome plating Line
- ED spray guns for liquid painting, WAGNER-Powder coating & Painting with Conveyorised curing oven
- Aluminium & Zinc Pressure Die casting
- Vertical storage maximizing warehouse floor space

TESTING FACILITIES

WE HAVE FOLLOWING TESTING FACILITIES AT OUR NEOKRAFT PLANT

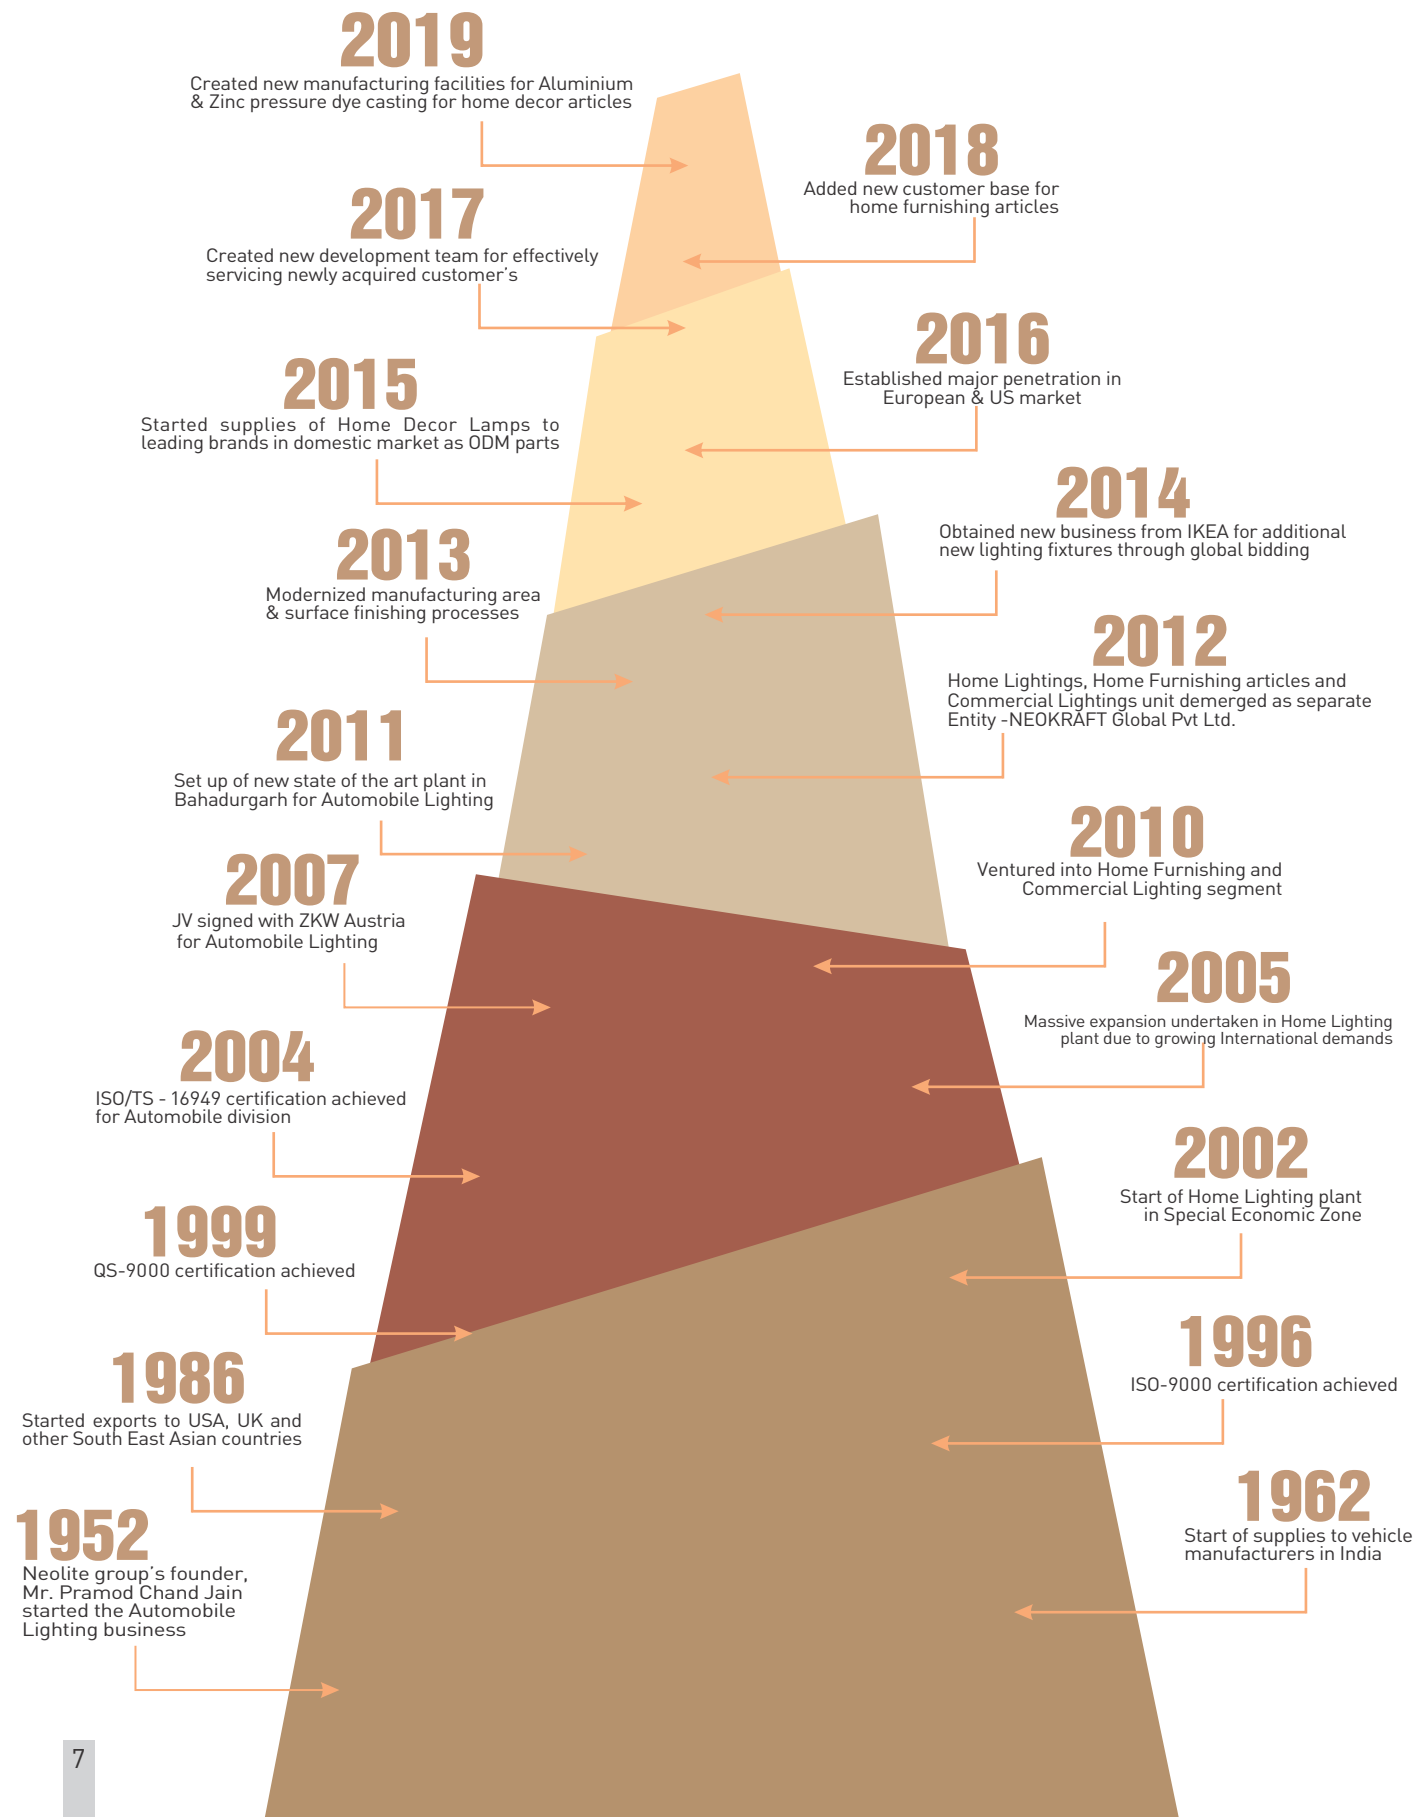

- RoHS Testing by XRF Machine
- Radioactivity Testing- Gamma Meter
- Salt Spray Testing Equipments- Neutral
- Salt Spray and Acetic Acid Salt
- Spray & Dip Testing
- Endurance Testing
- High Voltage Testing
- Torque Testing & Twist
- Safeness Testing
- Polarity Testing
- Impact Testing
- Continuity Testing
- Pull Test for Cord Grips
- Grounding Testing
- Straightness Testing
- Tilt Testing
- Bursting Strength
- LED Testing Facilities

OTHER TESTING FACILITIES AVAILABLE WITH IN THE GROUP

- Water Entry Test
- Dust Proof Test
- Thermal Shock Test
- Photometric Test
- Twist Safeness Test
- Environmental Cycle Test
- Stability Test (Inclined Surface)
- Vibration Test
- Torque Test
- Color Testing Cabinet

MILESTONES

OUR STRENGTHS

- Very strong Risk Assessment & technical evaluation in Lighting category
- Vertical Straight line metal manufacturing / processing in house
- Socially & Technically compliant
- Product development: Technical / Creative
- Technically qualified / trained professional
- Professionally managed and well structured team
- Experienced talent pool across all areas
- Quick and Fast decision taking capabilities
- Zero Defect Goal
- Safe, Clean and Healthy work environment

COMPLIANCES/CERTIFICATIONS

SAFETY	SOCIAL	TECHNICAL	MANAGEMENT

- RoHS & REACH Compliant Products and all testing facilities in-house.
- 100% I-Way / I-Must compliant
- SA8000:2014 certified.
- ISQS approved supplier
- ISOS 1st Phase Audit done & approved
- Authorized Economic Operator – T1 Certification from Central Board of Indirect Taxes and Customs, Min of Finance, Govt. of India.

NEOKRAFT^h
GLOBAL

one of the fastest growing Home Lightings and Home Decor Companies In India

Our customers have showered us with nothing but love and confidence: owing to this we have become one of the fastest growing company in its category in India

Scaling Operations and Increasing turn-over

It is our privilege that we get to serve to such a demanding customer base who instill so much of trust in us. Thanks to their constant support for which we have been able to attain an ever increasing turnover.

Capacity to cater to evolving trends

Individuals search for uniqueness in their choices by selecting what they feel is best for them. We offer them those choices keeping in mind the latest trends.

Multiple Material Choices

Customers are presented with a huge range of products that offer them numerous choices. From such a vast variety the customer ends up only with what he desires.

Global Customer Base

We have collaborations in various countries that pool in more and more customers. We hope to create new bonds worldwide with more such ventures.

State-of-the-art Infrastructure

All products are manufactured in our state-of-the-art infrastructure to provide customers with only the finest quality product. We do not compromise with quality.
